

HISF 2018 Starting Times

For 2018, as our highest handicap boat would have left and there would be a long wait until the next one would be scheduled, we decided to use a fictitious boat with a handicap of 250 which would start at 1:00. The selected courses range from three to six miles long.

Revision 1 - add Arcturus and Honey/Honey to the JAM table

Boats with spinnakers and all JAM boats start at these times
