I acknowledge that, as a captain, I am the best judge of the conditions in which my boat can be safely raced, and the persons who may safely serve as crew on my vessel (and that any and all crew members on my boat during HISF races have signed this form). As crew, I will adhere to the safety and operational guidance of the boat captain. I am aware that the Race Committees are composed of volunteers who may be less experienced than I and who cannot be as knowledgeable as I about all the circumstances that might adversely affect the boat on which I captain or crew. I accept responsibility to observe safe sailing practices and agree to abide by all applicable navigational, safety and racing rules. I, therefore, release the HERRING ISLAND SAILING FLEET, ITS OFFICERS AND RACE COMMITTEE MEMBERS, acting in their official capacity, from any and all claims for personal injury or property damage arising from the conduct of any race in which I or a vessel I own participate, and I agree to indemnify them and hold them harmless against all costs and liability arising from any such claims or arising from any act or omission by me, my vessel or any member of my crew or their representative.
